DEFENDER'S GLORY — by Defender's Nugget, was the grand champion and top selling bull of the 1955 Omaha show and sale. He was bred and consigned by Otto Johnson, Lohrville, Iowa, and sold for \$1,500 to F. W. Smalstig, Pittsburgh, Pennsylvania.

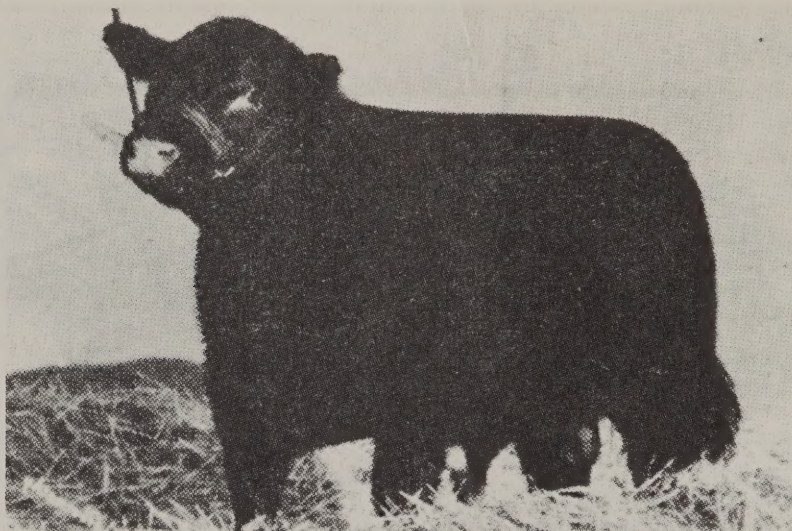

## The Omaha Record Speaks for Itself

Space does not permit us to recount all of the achievements of Polled Shorthorns that have been purchased in these annual sales for the last 43 years. The record speaks for itself and Omaha bulls can do the job better for you, no matter where you live. We just want you to know that this spring's auction includes, without a doubt, the greatest set of Polled Shorthorn bulls ever offered in 43 years.

It is a proven fact that good cattle do breed on, and you can buy the good ones here at Omaha on February 13.

JUGGLER'S MERCURY x — an all white bull worth driving many miles to see. He is really one of the tops. He drew many favorable compliments from breeders who saw him at Iowa and Nebraska State Fairs where he won his class, and at Nebraska was Reserve Jr. Champion. This bull has style, class, along with all makings of a beef bull. In my opinion he's hard to fault; that's why I use him. His dam was Grand Champion at Missouri State Sale in the spring of '55. His sire was from the International Grand Champion Bull that sold for \$20,000.

CORRECT COMMAND 11th -- this is a full brother to the bull purchased by W. H. & Walter Dilatush of Millington, Tennessee in the Omaha Sale last year. He is one of our best and should sire the improving kind. He has the pedigree and is good enough to head any top herd. His dam and grandam are two of our very top cows. They always produce the good ones. The grand champion two years ago was by Lady Hallmark 3d. He sold to R.R. Johnston, Dancy, Alabama for \$1085. We then sold Mr. Johnston a son of Hallmark Lady Coronet in the four figure bracket.

PROUD RODNEY -- is a solid red, very smooth bull, good sized for his age. This bull has reason to be good. His dam has produced one Iowa State Fair grand champion female sold for \$1800 at the International in Chicago the same year, one State Fair reserve grand champion bull and the senior champion female in 1957. Proud Rodney was shown at the Iowa State Fair in 1957 and placed second to his half-brother Proud Sultan who was junior champion. Few females have produced as many champions as his dam who was the top selling female at the Tri-State Shorthorn Sale at Sibley, Iowa in January, 1949.

# 43rd Annual OMAHA Polled Shorthorn Sale

## **Standard Guarantee of the American Shorthorn Breeders' Association**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
